R. R. R. No. 1, & R. R. R. No. 2.

THE NEW REMEDY—LATELY DISCOVERED BY RADWAY & CO. FOR THE QUICK CURE OF ALL CHRONIC AND ACUTE DISEASES. IT IS POWERFUL, SEARCHING, AND PLEASANT. IT CLEANSES AND PURIFIES THE BLOOD FROM ALL SCROFULOUS HUMORS. IT RESOLVES AWAY FROM THE BONES AND MUSCLES.

ALL DISEASES OF THE BLOOD. IT ELECTRIFIES THE FLUIDS AND SOLIDS WITH HEALTH AND STRENGTH. IT IS WARRANTED TO CURE—Scrophulous Swelling, Rheumatism, Gout, Gravel, Dropsy, Pains in the Limbs, Stiffness of the Joints, Scurvy, Erysipelas, Ulcers, Foul Sores, Itch, Scalds, Burns, Eruptions, Etc.

WE GUARANTEE that the patient will experience its powerful, soothing, beneficial effects. IN A FEW HOURS.

CONSUMPTIVE PATIENTS WILL EXPERIENCE IMMEDIATE RELIEF AFTER TAKING THREE DOSES. IT IS DAILY PERFORMING MIRACLES.

IT IS DAILY PERFORMING MIRACLES. In ten minutes after taking two or three doses, the weak and sickly invalid feels his electrical energy thrilling through every cell and corner of the system, imparting health and strength to every organ, nerve, and secretory vessel in the body.

SCROFULOUS DISEASES. This Remedy is warranted to cure Scrophulous in its worst form. It acts upon the solids as well as the fluids, removing from the bones, joints, muscles, and nerves, all diseased deposits.

ALL FOUL HUMORS AND UNHEALTHY VULNERS. Glandular Swellings, Ulcers in the Throat, Tumors, Cancers, Nodes, White Swellings, Etc.

FEVER SORES, Hacking Dry Cough, Tubercular Consumption, Rheumatism, Dropsy, Erysipelas, Ulcers, Etc.

IT ACTS UPON THE SKIN. It produces a free and copious discharge of all foul humors secreted in this organ.

THE MOST REPULSIVE SORES AND ERUPTIONS are instantly relieved from irritation and quickly removed from the skin. HOW RADWAY'S RENOVATING RESOLVENT CURES.

To cure Consumption we must stop decay and rebuild and heal the worn-out organs of the system that disease has consumed.

WE MUST TREAT EVERY ORGAN in the system, for the Lungs are not the only organ affected. It affects the Liver, the Heart, the Kidneys, the Bladder, and Pancreas; and, in fact, every organ in the body is more or less tainted with diseased position and decay.

THE LUNGS. ARE THE BRANCHING APPARATUS OF THE SYSTEM. When the Lungs are in a state of decay they are unable to receive or emit the necessary amount of air requisite to sustain life. The greater the atmospheric pressure upon the air-cells, the more painful, irritable, and suffocating is the weight upon the lungs.

THE GLANDS. become swollen from the irritation and inflammation of the lungs.

ULCERS AND LUMPS IN THE THROAT. are formed from diseased deposits. When the Lungs are unable to get without the aid of powerful emetics, and the Liver too weak and feeble to secrete.

becomes deposited in the bronchial tubes; it hardens, and is forced into lumps, which ulcerate, suppurate, and discharge. THE AIR-CELLS.

are clogged, and the respiratory organs checked, so that breathing is rendered oppressive and exceedingly difficult. RADWAY'S RENOVATING RESOLVENT will act upon:

THE LUNGS. It will heal, strengthen, and remove from them all diseased deposits, clear the air-passages, and restore them to health.

REMOVES FROM THE GLANDS. Inflammation, and rids the Throat from Ulcers, Tumors, Hard Swellings, and other diseased deposits.

TO THE LIVER. It will impart tone and energy. AND EVERY ORGAN IN THE SYSTEM. It will reorganize and cleanse from putrid and unhealthy matter and humors.

IN TEN MINUTES. After taking this pleasant remedy the patient feels easier. It immediately allays the irritable cough, loosens the tightness across the chest, and relieves the sharp wrenching pains. Let the afflicted call upon W. B. GILMAN.

N. B. RADWAY'S RENOVATING RESOLVENT, AND RADWAY'S READY RELIEF, are two distinct preparations, yet, in many cases, they are intended to be used together. The patient, by reading the advertisement attentively, will easily ascertain the remedy required to meet the complaint.

DR. JOHNSON'S PROCLAIMED.

That he has discovered the most certain, speedy, and efficacious plan of treating. **SECRET DISEASES** that have ever been presented to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will insure a CURE IN TWO DAYS.

No Mercury or Noxious Drugs used. Weakness, Loss of Organic Powers, Pains in the Limbs, Diseases of the Kidneys, Affections of the Head, Throat, Nose and Skin, Constitutional Debility, and all those horrid ailments arising from a certain Secret Habit of Youth, that solitary practice, more fatal to its victims than the most violent syphilis, the mariners of Ulysses—blighting their most brilliant hopes or anticipations, rendering Marriage, etc., impossible.

A CURE WARRANTED, OR NO CHARGE. Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have attained listening to the words of the thousands of eloquence, or waked to ecstasy the living lyre, may call with confidence.

MARRIAGE. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health. Office, No. 7 South Frederick street, Baltimore, Maryland, on the left hand side, going from Baltimore street, seven doors from the corner. Be particular in observing the name and number, or you will mistake the place.

DR. JOHNSON'S. Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubles, arising from the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured themselves by private and improper indulgence, that secret and solitary habit, which ruins both body and mind, uniting them for either business or society.

These are some of the and melancholy effects produced by early habits of youth: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dropsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Weakness of the system, Nervous Debility and premature loss of energy, arise from a destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims. From an ignorance of the nature of the disease, the subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their children, and are led to employ remedies which are entirely useless, and in some cases, productive of the most dangerous results.

AMERICAN TELEGRAPH.

Corporation of Washington. BOARD OF ALDERMEN. Monday, March 22, 1852.

Present: Messrs. Down, Bayly, Wilson, Towers, Borrows, Sweeney, Maury, French, (President), Whit, Thornley, Gordon, and Morgan.

The Chair laid before the Board a communication from the Mayor in relation to the foot bridge over the canal at 10th street; which was read and referred to the Committee on Finance.

Mr. Wilson, from the Committee on Improvements, asked to be discharged from the further consideration of the petition of Anne R. Dermott in reference to the construction of steps to her house at the corner of 7th and D streets; and the question being taken, it was decided in the affirmative, as follows:

"An act to grade and gravel 3d street east, from Pennsylvania avenue to Maryland avenue, in the Fifth Ward."

"An act to grade and gravel L street south, in the Fifth Ward."

"An act to grade and gravel A street south, from 1st to 4th street east, in the Fifth Ward."

"An act for paving a gutter on the east side of 20th street west, from E street to New York avenue."

The bill from the Board of Aldermen "for the relief of Charles L. Colman" was taken up, read twice, and referred to the Committee of Claims.

The following bills from the same Board were severally taken up, read twice, and referred to the Committee on Improvements, viz:

"An act to grade and gravel 2d street east and K street south, in the Fifth Ward."

"An act making an appropriation for removing the dust from the paved part of Pennsylvania avenue and 7th street west."

"An act in relation to K street north, in the Second Ward."

"An act for the improvement of N street north," and "An act for diminishing the rise and paving east and west of K street bridge."

The bills from the Board of Aldermen entitled "An act authorizing certain improvements on the west front of square 454," and "An act directing the taking up and relaying a pavement on 11th street, in the Seventh Ward," were severally read three times and passed.

Mr. Sweeney presented a petition of W. H. Birch and others, for paving the south front of square No. 227; which was referred to the Committee on Improvements.

Mr. Dove, on leave, introduced bills entitled "An act for completing the grading and graveling of C street north, from 17th to 21st street west."

"An act for laying a flag footway in the First Ward."

"An act for grading and graveling 19th street from L to N street north."

And they were severally read three times and passed.

Mr. Dove, on leave, submitted a resolution in relation to filling the low grounds; which was read three times and adopted.

Mr. Morgan presented a petition from C. B. Calvert and others, for opening 6th street, south of the canal; which was referred to the Committee on Improvements.

Mr. Towers, from the Committee on Police, reported unfavorably on the following bills from the Board of Common Council, viz:

"An act to punish persons guilty of doing injury to public or private property, and for other purposes."

"An act in relation to vagrants, disorderly persons, prostitutes, &c."

"An act for taking a census of the free colored population."

"An act for numbering houses."

And they were then severally, on motion, ordered to lie on the table.

Mr. Towers, from the same Committee, reported without amendment the bill from the Board of Common Council entitled "An act for the protection of religious worship;" and it was then read the third time and passed.

Mr. Towers, from the same Committee, reported without amendment the resolution from the Board of Common Council in relation to the revision and codification of the District Laws; and it was then, on motion, ordered to lie on the table.

And then the Board adjourned.

Resolved.

That the very handsome present that has been made to this Board by the artist, George P. A. Healy, esq., of the portraits of two of the ex-Mayors of this city, Messrs. Gale and Wm. W. Weston,
